- There are school occasions that decide to close due to the approach of a large typhoon one day before. In this case, we will notify all by message. In addition, if Nishio's city decides to suspend school lunch (interrupting school meals) the day before, the school will contact parents about the preparation of lunchbox.
- Even though a weather warning has not been issued while the student is at school, classes can be closed and the student will return early if the weather forecast or traffic conditions get worse. In this case, we will contact the parents by message.
- Even if the special alert is suspended, classes will not be resumed immediately. After confirming the security, we will inform each family the date and time of reopening by message.
